

Ohio High School Athletic Association  
2017 Northwest District  
Coach/Athlete Instructions to get passes

**Diving**

1. Participants will receive a hand stamp at the entry table from Carolyn Strunk the morning of their diving meet.
2. Diving coaches will receive a hand stamp at the entry table from Carolyn Strunk the morning of the diving meet. Diving coaches must be listed on the school entry form as a Board Approved coach.

**Swimming**

**There are no participant passes to pick up for the 2017 District Swimming meet**

- Coaches/Athletes will not be permitted to line up more than 30 minutes in advance (buses can wait in the Ice Arena lot until 30 minutes prior).
- Athletes must be in line with coaches (i.e. no 'saving' spots in line)
- Teams will be brought in one at a time
- # of athletes and coaches will be counted, stamped and sent through the door.

**There are no alternate passes for the 2017 District Swimming meet**

(You may contact Carolyn Strunk and this can be reviewed on a case by case basis – after the District qualifiers are set).

Coaches/Teams bringing in coolers with snacks/drinks must be left in hospitality. These coolers are ONLY permitted at the athlete entrance. Please be sure school/name/contact information can be found on the cooler.

Any schools choosing to use massage oil may not do the rubdowns on deck. All tables and oil used must stay within the designated area. This has become a safety issue on deck.

**Coach Passes:**

Coach allotment per school will be based on the number of swimming qualifiers

1-5 qualifiers = 1 coach pass

6-11 qualifiers = 2 coach passes

12-17 qualifiers = 3 coach passes

18+qualifiers = 4 coach passes

**Coaches, please remember that these changes are being made to clear up space on deck for the benefit of the athletes. You are the first to complain about the deck being crowded!**
